Small Crowd Witnessed Presenta "Peaceful Valley"

Last night a small crowd witnessed the performance of "Peaceful Valley," by the Norene St. Clair Stock company. This is without doubt one of the best, and is the cleanest drama that has been presented in The Anderson. The story is a beautiful one, and the characters of Noses Howe, and his mother were portrayed by for naturalness and ease these two

characters stand out with characters in the high priced productions. Mr. Murray, as Charley Rand, was very good, and Mr. Beaubion exceptionally clever in the part of Jack Farquiar. Mt. Meyer as the landlord was very funny. Those who missed seeing "Peaceful Valley" missed one of the best played offering of this company. The specialties by Mr. Meyer and The Harmony Four were well received.

The play topight will be "The Little Girl That Le Forgot," a dra natigation of Benish Pointer's famous photoplay. Mr. Poliock will have a character at which he excells and every nember of the company will be seen to good advantage. New vaudeville numbers will be introduced. Weather permitting The anderage will be crowded, and it should be, for the plays offered by this company are
